Count On (School Finance) Limited GDPR Statement

One of the biggest changes to UK data privacy law comes into effect on 25 May 2018. The General Data Protection Regulation, also known as GDPR, is a new European framework for data protection laws and it means that everyone will have more control over how their data is used. It also ensures that organisations protect personal data better. To reflect these changes and new obligations, we've updated our Privacy Notice and Data Protection & Privacy Policy which tells you what we do with personal data, how it is used and your rights under the new law. The new Privacy Notice is available on our website www.count-on.co.uk.
